Subject: DCS's Motion

Dear Judge Moore,

GANE has received DCS's motion for leave to reply to GANE's reply to DCS's response to GANE's new and amended contentions. In a recent telephone conversation with counsel for DCS, GANE did not take a position on whether the motion should be granted, because DCS did not identify all of the issues on which it wished to reply. Now that DCS has finally supplied that information, GANE can state that it does not object to the motion.

Respectfully,
Glenn Carroll
